

WHERE TO EAT & DRINK IN DÚN LAOGHAIRE TOWN

FLAVOURS OF DÚN LAOGHAIRE

Old Dunleary became a food and drink destination for Dubliners in the 1820s when it consisted of a coffee house and a small cove. The town has built on this long-standing tradition, with its recently acquired reputation as a destination for coffee and food lovers. Today Dún Laoghaire is home to many independently-run specialty cafés, coffee shops, pubs and restaurants, with a host of chefs and baristas leading a new generation of service that can be experienced in any of the eateries in the town. After your meal, a trip to the local pubs should be next on your list.
